

ASPIRE GENERAL INSURANCE COMPANY COMMUNICATION AND TEXT MESSAGE AGREEMENT

I agree that representatives of Aspire General Insurance can call or text message me at the mobile number provided by me on the application document. I agree that the calls and text messages may be generated using an automatic telephone dialing system and may contain pre-recorded messages concerning information on my policy, submitted claims, and products and services Aspire may offer. There is no separate charge for this service; however, my carrier's message and data rates may apply. I understand that consenting to receive calls or texts is not required as a condition of purchasing any goods, services, or property.

I agree to immediately notify Aspire General Insurance at (916) 306-1831 if my contact information changes, including ownership of the telephone numbers provided.

I agree that my consent to receive calls or text messages is completely voluntary. To opt-out of text messages, reply <STOP, END, CANCEL, UNSUBSCRIBE, or QUIT> to any mobile message from us. You may also email us at claims@agicins.com.
